

SNRS and the Versant Center for the Advancement of Nursing (Vcan®) Collaborative Research Grant Opportunity

Request for Proposals

Submission Due Date: September 1, 2017

Award Announced: November 15, 2017

SNRS is excited to announce a new collaborative grant effort with the Versant Center for the Advancement of Nursing (Vcan®). We will be accepting requests for a \$50,000 proposal.

The research priorities seek to fundamentally improve patient-centered care and safety by providing thought leadership, research and scholarship opportunities advancing nursing science by evaluating nursing contribution to:

- Patient Safety
- Organization Capacity-Building
- Sustainability of Organizations
- Economic Success

Eligibility: SNRS members who are current with their dues are eligible and encouraged to apply. Other interested researchers may apply for the award so long as the grant proposal is accompanied by the membership application and SNRS dues. Membership will be verified by SNRS.

Proposals are due by 11:59 pm on September 1, 2017. [Click here](#) for more information and to submit proposals.
