## Call for Subject Matter Experts

SNRS is seeking members with experience in technology and sensors as measurement and analytic methods to represent SNRS at the CANS 2019 Special Methods Conference.

If you have expertise or experience in this area and would be interested in presenting, please contact Ann Mehan Crosse, SNRS Executive Director, at [amcrosse@kellencompany.com](mailto:amcrosse@kellencompany.com) by June 22, 2018.
