

Southern Nursing Research Society
Call for Abstracts - 1st Call
SNRS 33rd Annual Conference
Imagining the Future through Nursing Research and Innovation
February 27-March 2, 2019
Rosen Centre Hotel
Orlando, FL

The Southern Nursing Research Society Annual Conference provides an opportunity for SNRS members to report ongoing and completed research as well as theoretical, conceptual, and methodological projects to colleagues.

SNRS is pleased to announce we have contracted a new abstract submission platform through Omnipress. We hope the new platform will simplify the submission process. All submitters will need to create a new account.

The abstract submission site for **symposia, podium and poster presentations (with the exception of student posters)** is now open for the 2019 SNRS Annual Conference. (The majority of podium presentations are selected from the first call for submissions. Students are encouraged to submit an abstract for podium presentation as long as all other criteria listed are met. However, if students would like to be considered for the Top Student Poster session they should submit in the second call) The deadline for submitting abstracts is **July 25, 2018 at 5:00 pm CT. There will be NO extension.**

Abstract Fee: As a result of feedback from the membership, the Board has approved and implemented a \$25 submission fee for each abstract including the symposium overview.

The student/late breaker poster and general session abstract submission site will open September 4, 2018.

Please review the submission guidelines **and the rating form on the [SNRS website](#)**. These documents contain important information regarding abstract submission, including what types of abstracts SNRS does and does not accept and items that you will need prior to starting the abstract submission process. **Reviewing this information in advance will greatly facilitate the submission process.**

SNRS membership is NOT required at the time of abstract submission. However, membership is REQUIRED at the time of presentation, if you are selected. ENRS, MNRS, and WIN members may also submit abstracts documenting proof of membership.

Save the Date:

Call for Pre-conference Workshops:
August 2-August 29, 2018

***Second Call for Abstracts-Student/Latebreaker Posters and General Session:
September 4-October 2, 2018***

To begin the abstract submission process click [here](#). You will be asked to submit payment before you can submit.

We look forward to receiving your abstract and seeing you in Orlando, FL.

Sincerely,

Carolyn Miller Reilly, PhD, RN, CHFN, FAHA
Vice-President, SNRS
