

## New Institutional Membership Packages

In 2024, SNRS is introducing new package options for our Institutional Members. These packages offer expanded benefits and opportunities to stay engaged with SNRS throughout the year.

These packages will be optional for 2024 and the current Institutional Membership will still be available. Starting in 2025, institutions will need to pick only from the packages below.

If you have any questions regarding the new packages, please email SNRS at [info@snrs.org](mailto:info@snrs.org).
