Action items last meeting							

**1. Update on committee activities (please include any problems or challenges):**

- New awards early science investigator and RINAH best article created and these were disseminated to the membership. These will be given at the 2014 meeting.
- New award for clinical researchers is in the final development phase and will be available for Board approval prior to awards nominee solicitation announcements in summer, 2014.
- All regular award recipients selected, approved and notified.
- All 2014 recipients, nominators, those not selected and their nominators have been notified.
- All awards for which there were eligible nominees were given in 2013.
- Parts of Society’s Policy and procedure manual relevant to Awards Committee and Chair were reviewed and recommendations for needed changes were made to Secretary.
- There was an issue as to what constituted a conflict of interest for Awards Committee members. Further clarification of this will be made in the P and P manual. This was forwarded to the secretary.

## SNRS Board/Committee Chair Annual Report, 2013

- Several issues arose during award applications reviews this year that may necessitate minor award calls revisions to increase clarity to potential recipients and their nominators, and for those reviewing the awards. These will be accomplished prior to the next round of awards being announced.
2. **Any financial issues to note?** Yes \_\_\_\_ No  (If yes, then elaborate).
  3. **Please indicate any initiatives or projects that will have budgetary implications for 2014 fiscal year (*please estimate amounts*):** NONE
  4. **Action items, motions or policy to be considered by the Board for approval.** NONE
