

Southern Nursing Research Society 2014 Annual President's Report

Submitted by Cindy L. Munro

Annual Accomplishments:

1. Represented SNRS as member of CANS Leadership Committee.
2. Represented SNRS at 2014 NNRR meeting, March 6-7, 2014. Discussion centered on NIH BRAIN initiative, NIH Big Data initiative, and caregiving science.
3. Explored potential collaborations with Southern Society of Clinical Investigation.
4. Explored potential for new partnership for grant opportunity focused on nursing education.

Goals for Coming Year:

1. Plan for THIRTIETH ANNIVERSARY of SNRS! (including a gala celebration!)
2. Lead Board of Directors in publishing 2 editorials stating SNRS position: 1) What is nursing research? 2) What is the relationship of nursing research to practice?
3. Grow funds for endowment to support research and dissertation grants.
