Dear Linda,

The deadline for submissions is **Friday, June 10, 2011 at 5 PM, Central Time**. Please note that the student poster and late breaker abstract submissions will open September 15, 2011.

The Southern Nursing Research Society Annual Conference provides an opportunity for SNRS members to report ongoing and completed research as well as theoretical, conceptual, and methodological projects to colleagues. **Please read all directions carefully.** Here is your SNRS member ID **#4778**, which you will need in order to submit your abstract. SNRS membership is **NOT** required at the time of abstract submission. However, SNRS membership is **REQUIRED at the time of presentation**.

Please review the [submission guidelines](#), which contains important information and items that you will need prior to starting the abstract submission process. Reviewing this information in advance will greatly facilitate the submission process.

We will be posting exemplar abstracts for guidance on the [SNRS Annual Conference website](#).

- **Podium (paper) and symposium** presentation abstracts must show evidence that the research (or theoretical/conceptual/methodological work) is complete at the time of abstract submission.
- **Poster** presentation abstracts may include work in progress and/or preliminary data analysis, though data collection and analysis must be complete at the time of the conference presentation.

Please note:

We encourage you to enter all of your information **exactly** as you wish it to appear in the program. **Title case only** will be accepted for abstract titles

(capitalize the first letter of words other than short conjunctions, articles and prepositions). Example: This is a Title.

Please include complete information for additional authors, including institution and credentials. Author information (institution and credentials) will be used for the abstract information listed in the program (onsite, online) and abstract CD. Please check your author information carefully, this cannot be changed after the abstract decisions are made.

We look forward to receiving your 2012 abstract and seeing you in New Orleans, LA.
