

Call for Abstracts for Special Poster Session

The Southern Nursing Research Society (SNRS) is accepting abstracts now through January 20th for a poster session themed:

Research-based Nursing Practice: A Look at the Evidence

This special poster session will take place at the 31st Annual Conference to be held at the Intercontinental Dallas in Addison, Texas, on Saturday, February 25, 2017 from 10:00-11:00 a.m.

Abstracts reviewed and accepted at previous research-based conferences will be accepted and displayed during this poster session.

Please [click here](#) for information on submitting your abstract.

Sincerely,

Marygrace Hernandez Leveille, PhD, RN, ACNP-BC
Vice-President, SNRS
