

## Southern Nursing Research Society Call for Abstract Reviewers

We are still in need of individuals to serve as abstract reviewers for the SNRS 2018 Annual Conference in Atlanta, GA. If you have already responded, please do not respond again.

We invite members who meet the following criteria to serve as an abstract reviewer:

- Research Doctorate
- Published Research
- Current SNRS Membership

Additionally this year, we are requesting that potential reviewers submit a NIH biosketch (examples and forms available at <https://grants.nih.gov/grants/guide/notice-files/NOT-OD-15-032.html>) so that we may more closely align your expertise with the abstracts to be reviewed.

If you are interested in serving in this capacity, please [click here](#) to submit your information by **June 2, 2017**.

The 32nd Annual Conference will be held on March 21-24, 2018 at the Sheraton Atlanta Hotel in Atlanta, GA.

Thank you for your contributions to SNRS. We do hope that you will consider serving as an abstract reviewer.

Sincerely,

Carolyn Miller Reilly, PhD, RN, FAHA  
Vice-President, SNRS
