

Dear SNRS Members,

This letter is to notify you of an unanticipated action that impacts the SNRS/ECU/Vcan® Research Grant. SNRS received notification on August 2, 2017, that funding for this grant has been withdrawn for reasons beyond our control and SNRS can no longer offer this grant opportunity.

We sincerely apologize for this inconvenience.

There are two upcoming grant opportunities that we encourage you to consider:

CANS/SNRS Dissertation Research Grant

Application Submission Date: September 1, 2017

The purpose of the CANS/SNRS Dissertation Research Grant Award is to support doctoral students in the Southern region enrolled in research-focused programs as they initiate a program of nursing research to advance nursing science and practice. Funds are available for quantitative and qualitative research on any topic relevant to the nursing profession. [\[Read more...\]](#)

SNRS Research Grant

Application Submission Date: October 1, 2017

The purpose of the SNRS Research Grant Award is to support and promote new investigators in initiating or building a program of research, which advances nursing science and practice. Funds are available for quantitative and qualitative research on any topic relevant to the nursing profession. This award will fund research that is not being done for course credit.
