

SNRS Dissertation Award Applications Due March 1, 2019

Attention All Doctoral Students and Faculty Mentors!

The purpose of the SNRS Dissertation Research Grant Award is to support doctoral students in the Southern region enrolled in research-focused programs as they initiate a program of nursing research to advance nursing science and practice. Funds are available for quantitative and qualitative research on any topic relevant to the nursing profession.

The deadline for the SNRS Dissertation Award of \$5,000.00 is **March 1, 2019**. Please check the [website](#) for the full announcement.

Applicants for the SNRS Dissertation Award must be current members (full or student member) of the SNRS. The time line for completion of this award is 18 months.

To cover administrative costs, applications must be accompanied by a \$25.00 fee. Please remind your students and colleagues!

Can't make this deadline? The next CANS/SNRS Dissertation Award will be offered with a September 1, 2019 closing date.

Sincerely,

Jennifer Harrison Elder, PhD, RN, FAAN
Chair, SNRS Grants Committee
